**SIXTH ANNUAL
MID-WINTER
CONFERENCE**

December 5, 2009
Saturday

Ben Franklin Junior High School
Stevens Point, WI

sponsored by the

Wisconsin Lions
Past District Governor
Organization

WHO SHOULD ATTEND?

The Mid-Winter Conference is for all Lions, Lioness, Leos, spouses and friends who want to enhance their leadership skills, expand their knowledge of current health issues facing our society and hear testimonials from people who have been helped by Lions/Lioness projects.

Diabetes is the leading cause of blindness nationwide. Medical research in Wisconsin brings new hope to thousands of individuals. You will learn about new techniques and tips to recognize the symptoms of diabetes.

Managing a Lions or Lioness Club meeting can be challenging at times. A seminar on effective meeting management and protocol for visiting dignitaries will provide you with the resources to build your meeting management confidence.

This year's conference features a follow-up session to last year's seminar dealing with Lions Clubs and tax laws. IRS audits and reporting requirements are increasing and Lions Clubs need to know how to stay legal and up-to-date on reporting.

Everyone who attends this conference will take home something to improve their personal lives and elevate their enthusiasm to make their Lions, Lioness or Leos Club the best that it can be. Emerging leaders such as Club Vice Presidents and new members would find these sessions to be of great value. We hope this conference finds you ready to attend!

Take a break before Christmas. Come and learn in a relaxed atmosphere. Enjoy meeting some of your fellow Lion leaders. Leave with knowledge that will make you a better person and a better Lion, Lioness or Leo.

COST: \$20.00
(includes lunch and materials)
