INTRODUCTION

LIONS CLUBS INTERNATIONAL

MULTIPLE DISTRICT 27

POLICY & PROCEDURE MANUAL

PURPOSE
This Policy & Procedure Manual was developed as a written reference to provide guidance and consistency in the conduct of Multiple District 27 affairs. Additionally, these policies and procedures are intended to help Multiple District 27 operate effectively and efficiently by documenting norms, and preventing confusion and conflict.

SUBORDINATION
These policies and procedures are supplementary to the Constitution and Bylaws of both Multiple District 27 and Lions Clubs International. Should a conflict occur, the Multiple District 27 or Lions Clubs International Constitution will overrule the applicable policy or procedure.

Newer versions of these policies and procedures supersede all previous versions.

APPLICATION
These policies and procedures apply to all Multiple District 27 Lions and Lionesses, employees, and attendees at Council of Governor meetings unless otherwise noted. Where specified, some policies also apply to spouses/companions of Lions and Lionesses.

Every effort has been made to be clear when positions are named. For example, District Governor refers to a current District Governor, not a District Governor-Elect.

EXCEPTIONS TO POLICIES OR PROCEDURES
Exceptions to policies or procedures may be granted by the current Council of Governors by a majority vote of those District Governors in attendance at a meeting called by the Council Chairperson. This meeting may be of any acceptable format described in this document.

Should exceptions to policies and procedures become frequent, the applicable policy or procedure should be reviewed for potential revision.

FAILURE TO COMPLY
The Council of Governors is responsible to take appropriate action in the event these policies and procedures are not complied with.

DUTY TO REPORT
Infractions of these policies and procedures should be reported to a current District Governor and/or the current Council Chairperson.

ACRONYMS
To conserve space many acronyms familiar to Lions and Lionesses, along with some new acronyms, are used throughout this Manual. A Glossary of all acronyms used follows this Introduction.
FORMS
Forms that are commonly used by Wisconsin Lions are located in a separate appendix near the end of this Manual.

POLICY HISTORIES
A Policy History Archive has been created at the end of this Manual to document in a brief form the histories behind changes that were made to these policies.

Some of the policies that were developed from 1984-2018 were eliminated; the histories were included in the archives.

Histories are listed alphabetically by their titles, not by policy number as all numbers were revised in 2018.

The 1984-85 Council of Governors authorized the creation of this Manual; the first edition was completed during the term of the 1985-86 Council of Governors. Both Councils should be given credit for their foresight creating this document.

In order to improve usability, a major reworking (format, content and numbering) of this Policy & Procedure Manual was implemented by the 2017-18 Council of Governors.

END OF POLICY 1
POLICY 2 – MD27 OPERATIONS
Section 1: Whistle Blower

LCI and MD27 expect all Wisconsin Lions, employees, volunteers and contractors to uphold high standards and personal ethics in the conduct of their duties and responsibilities including complying with all applicable laws and regulations.

A. Reporting Responsibility - It is everyone’s responsibility to report concerns about violations of LCI and MD27 Code of Ethics or suspected violations of the law or regulations that govern MD27’s operations.

B. No Retaliation - It is contrary to the MD27 values for anyone to retaliate against any whistleblower who, in good faith, reports an ethics violation or a suspected violation of law, such as a complaint of discrimination, suspected fraud, or suspected violation of any regulation governing MD27 operations.

C. Reporting Procedure - MD27 has an open door policy and suggests that Lions, employees, volunteers and contractors share their questions, concerns, suggestions or complaints by either:

1. Contacting a DG: Those not comfortable speaking with a DG, or who are not satisfied with the DG’s response, are encouraged to speak with the CC.

2. Submitting their concerns in writing directly to the CC, VCC or entire COG.

3. Lions and DGs are required to report complaints or concerns about suspected ethical and legal violations in writing to the CC, VCC or COG, who has the responsibility to investigate all reported complaints.

4. The COG is responsible for ensuring that all complaints about unethical or illegal conduct are investigated and resolved. The DG or CC will advise the COG of all complaints and their resolution, and will report to the COG Treasurer on compliance activity relating to accounting or alleged financial improprieties, at least annually.

D. Accounting and Auditing Matters - The MD27 COG will immediately notify the Audit Committee/Finance Committee of any concerns or complaint regarding corporate accounting practices, internal controls or auditing and work with the Committee until the matter is resolved.

ADOPTED: 05/16/2013 – former Policy A-18

LATEST UPDATE: 7/1/2018

POLICY 2 – MD27 OPERATIONS
Section 2: Conflict Of Interest

In order to protect MD27’s interests when contemplating entering into a transaction/arrangement that might benefit the private interest of any Lion or might result in a possible excess benefit transaction. This Policy is intended to supplement, but not replace, any applicable State and Federal laws governing nonprofit and charitable organization conflict of interest.
Definitions: Interested Person - Any DG, officer, or member of a committee with COG delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

A. Financial Interest
   1. A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
      a. Ownership or investment interest in any entity with which MD27 has a transaction or arrangement
      b. Compensation arrangement with MD27 or with any entity or individual with which MD27 has a transaction or arrangement,
      c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which MD27 is negotiating a transaction or arrangement
   2. Compensation includes direct and indirect remuneration, as well as gifts or favors that are not insubstantial.
   3. A financial interest is not necessarily a conflict of interest. It is up to the COG to determine if a conflict of interest exists.

B. Conflict of Interest Disclosure & Determination
   1. An interested person must disclose the existence of any actual or possible financial conflict of interest and disclose all material facts to the COG.

C. Procedures for Addressing the Conflict of Interest
   1. An interested person may make a presentation at the COG Meeting. After the presentation, they will leave the meeting during the COG discussion and the vote on the possible conflict of interest.
   2. If appropriate, the CC will appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
   3. After exercising due diligence, the COG will determine whether MD27 can obtain, with reasonable efforts, a more advantageous transaction/arrangement from a person or entity that would not give rise to a conflict of interest.
   4. If a more advantageous transaction/arrangement is not reasonably possible under circumstances not producing a conflict of interest, the COG will determine by a majority vote of the disinterested DGs whether the transaction/arrangement is in MD27’s best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it will make its decision as to whether to enter into transaction/arrangement.

D. Records of Proceedings for COG Meetings and all committees with COG delegated powers will contain:
   1. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the COG decision as to whether a conflict of interest in fact existed.
   2. The names of the persons who were present for discussions and votes relating to the transaction/arrangement, the content of the discussion, including any alternatives to the proposed transaction/arrangement, and a record of any votes taken in connection with the proceedings.
E. Multiple Offices

1. In order to assure that LCI Officers, MD Officers and Committee members are able to focus on their duties and to ensure that there is no potential conflict of interest, any LCI Officer, MD27 Officer or Committee member may not serve on the Board of Directors of any Statewide Project or Program, including but not limited to WLF, Birch-Sturm Memorial Fund, LPEF, LEBW. Current list of Statewide Projects and Programs can be found elsewhere in this Manual.
   a. The exception to this Policy is DGs serving as COG Representatives to Statewide project or Program Boards during their term.
   i. A DG may not serve on the Board of two Statewide Projects or Programs.

F. Nepotism – MD27 welcomes the opportunity to hire and retain qualified employees and volunteers who are related to one another by blood or marriage. However, since such relationships sometimes can create suspicions of favoritism if the related volunteers are in a supervisor-subordinate relationship, it is the policy of MD27 that:

1. Any MD27 employee or volunteer who has or acquires a familial relationship (as defined below) with another employee or volunteer will not have any direct or indirect administrative or operational authority over the other person. This prohibition means not only that a person cannot supervise a family member, but also that the family member cannot be in that person’s chain of command; for example, a family member cannot work on a committee in which a family member is the Chair.

2. A MD27 employee or volunteer cannot use his/her authority or position to benefit or to disadvantage another employee in a familial relationship. Although all such potential misuses of authority cannot be listed here, examples include an employee or volunteer signing an evaluation for a family member or signing/approving a check payable to a family member.

3. Employees and volunteers are required to notify the COG of
   a. Any existing familial relationships
   b. Any familial relationships that are created among employees (for example, by the marriage of two employees
   c. The potential employment by MD27 of a family member

4. MD27 will refuse to hire a job applicant or assign a volunteer who is in a familial relationship with a current employee if the applicant would be in a supervisory or subordinate position to the existing employee/volunteer. MD27 employees/volunteers who marry one another during their employment/term of office will be allowed to remain in their position unless they are in a superior-subordinate relationship and there is no open position to which one of them may be moved.

5. “Familial relationship” within the meaning of this policy means two employees or volunteers (or an employee/volunteer and a job applicant) in the relationship of husband, wife, father, mother, brother, sister, son, daughter, uncle, aunt, nephew, niece, grandfather, grandmother, grandson or granddaughter, or any of those relationships arising as a result of marriage/civil union (for example, brother-in-law).

G. Annual statements will be signed by each COG member which affirms that he/she has:
   • Received a copy of the Conflict of Interest Policy
   • Read and understands the Policy
   • Agreed to comply with the Policy

1. Signed statements will be stored at the State Office for one year following the term of the COG.

POLICY 4 – COUNCIL OF GOVERNORS MEETINGS

Section 6: Non Face-to-face Meetings and/or Voting

At times, the COG must meet by means other than physical face-to-face meetings, (i.e. telephone/internet conference, electronic and/or email).

This procedure is to be used for a limited number of topics requiring an urgent decision that cannot wait until the next COG Meeting, either a regular meeting or a specially called meeting. The use of this procedure should be the exception and not the norm.

A. General Guidelines
   1. All votes on the topic must be cast via the same method (e.g. all via email, all via telephone/internet conference).
   2. Votes will be recorded in roll call format by the chair to allow for later review.
   3. Participants
      a. Meeting participants will typically be the COG.
      b. Quorum must be maintained throughout the meeting (with the exception of email communications).
      c. Other subject matter experts may be included at the discretion of the chair, but will not be voting participants.
   4. Notification: The chair will notify appropriate affected parties of the outcome of the vote within 48 hours.
   5. Ratification:
a. At the next regular COG Meeting, all motions and votes resulting from these non-face-to-face COG Meetings will be duly ratified and included in the Meeting minutes.
b. The chair will maintain printed copies of vote responses and any roll call vote tally until ratification at the next COG Meeting. The copies will be destroyed after ratification.

B. Specific Method Guidelines
   1. Telephone/Internet Conference
      a. Meeting will be chaired by the CC, VCC, or their designee.
      b. Meeting invitation, participant details and supporting documents will be emailed to the COG at least 24 hours in advance of the conference.
      c. Chair will confirm that all COG have been notified of the meeting before it starts.
         i. It is suggested the chair request a reply email from participants indicating they have received the invitation.
         ii. If the chair does not hear back from an invitee, a phone call follow up would be in order.
   2. Email
      a. A topic needing urgent discussion/decision may be brought to the CC’s attention by any Lion.
      b. Discussion/voting will be chaired by the CC, VCC or their designee.
      c. Chair will be the “gatekeeper” of all information that is distributed/shared between the COG and other participants.
         i. Create a document or email that:
            a. Describes the general topic for the email discussion/vote being brought up.
            b. Describes the rationale for the topic needing the urgent attention.
            c. Provides any backup documentation relevant to the topic.
            d. Provides a summary of the pros and cons on the topic, if known.
            e. Provides any recommendation by an appropriate committee or subject matter expert on the topic.
         ii. Chair requests a motion be made via email by a DG who has knowledge of the topic.
            a. The motion will be submitted to the Chair, not the entire COG.
         iii. Chair publishes the motion to all participants and requests a second.
            a. The first COG member to reply with a second will be listed for the official record.
      d. Discussion
         i. Chair will email the motion and second to the COG and ask for discussion to be shared between all COG members.
         ii. Chair will set a time limit for responses to the discussion of a minimum of 24 hours (note the specific time for closing discussion).
            a. If discussion is still taking place at the original deadline, the discussion period may be extended at the discretion of the Chair.
         iii. If discussion is heavy or numerous questions are raised, the Chair may change the discussion to a telephone/internet conference.
a. The telephone/internet conference procedure would then be followed, but the same motion would remain in place.

e. Close of Discussion and Voting
   i. Chair will notify the COG of the close of discussion and ask each COG member to vote yes or no on the motion by **replying only to the Chair**.
   ii. The voting process is deemed complete when a simple majority of responses have been received by the Chair.
   iii. The Chair will immediately notify the COG of the voting results.

Section 6: Council of Governors and CC-E - International Convention

NOTE: The actual monetary reimbursement amount for the sitting COG is defined in the MD27 C&BL as of 1/12/19 and supersedes the stipend described in this policy, but the requirements to receive the reimbursement/stipend described below are in effect per this policy.

While LCI makes provision for the expenses of the DG-Es to attend the annual International Convention, there is no similar provision for the current COG whose term of office is about to expire or for the CC-E.

Because the support and experience of the current COG and the CC-E is beneficial at the International Convention, MD27 will provide a budgeted stipend to the outgoing COG and CC-E for assistance with expenses in connection with their attendance at the International Convention. This stipend is not intended to “make whole” the attendee, but to provide assistance with their incurred expenses.

A. The stipend for the current COG and the CC-E will be budgeted and approved at the first meeting of the COG year.
   1. The stipend amount will be per eligible person.
   2. If a COG member or CC-E is not attending the International Convention, their budgeted stipend will not be divided among those who are attending.
   3. The stipend amount will be:
      a. $1,000 for International Conventions held in mainland North America
      b. $1,500 for International Conventions held outside mainland North America

B. COG may approve advances not to exceed 50% of the amount of the stipend.

C. Payment of the balance of the stipend will be made after the close of the International Convention. No payment will be made until all merchandise consigned to a DG has been paid for or returned.

D. No stipend for International Convention will be provided unless the COG member or CC-E does the following, unless waived by the CC or his/her designee:
   o Attended any COG Meeting held in conjunction with the International Convention

POLICY 5 – FINANCES AND EXPENSE REIMBURSEMENT

Section 10: MD27 Committee and District Governor Reimbursement Submissions

The COG recognizes that good financial management requires expense claims be submitted and paid promptly. Delay in submission of claims makes it difficult for the COG to know the amount of funds which have been committed, but unexpended. This is further complicated by the fact that some Lions, while entitled to reimbursement, choose not to submit expenses without notifying the COG that they have elected to donate their expenses for the good of MD27.

In order to improve procedures for expense reimbursements:

A. All expense claims will be in accordance with the MD27 C&BL.
B. Documented expense claims will be submitted within 60 days of the date they are incurred; in no case later than July 15th of the following Lionistic year.
C. Documented expense claims submitted beyond the 60 day and July 15th timeframe will not be reimbursed.
D. No expenses will be paid in excess of budgeted amounts without specific COG approval.

In the event expenses are incurred in a second District supported by the team member, the expenses will be submitted to the respective MD State GAT Coordinator for approval and submission for payment, and approved by the MD Treasurer.
