

Environmental Packet

The environment is our surroundings. The air we breathe, the water we drink, the shade from our trees, the soil in which we grow our crops for food.

Lions Clubs International wants everyone to be aware of our environment and do all we can to protect and enrich the space in which we exist.

This environmental packet contains:

- Our Environment Puzzle
- Environment Maze Worksheet
- Environmental picture to color
- Our Environment Essay
- Certificate of Completion

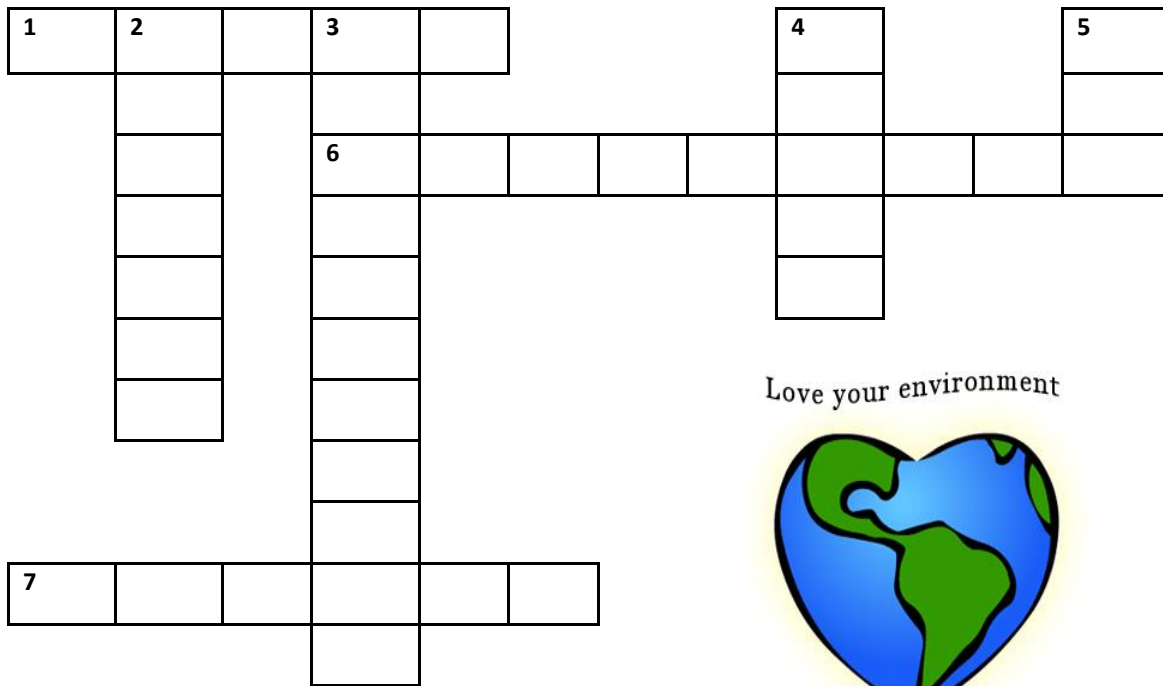

We hope you enjoy learning more about our environment!
