

**Past District Governor Organization Meeting**  
**Saturday, October 5, 2024**  
**Hotel Marshfield, Marshfield, Wisconsin**

**Attendees:** See attachment

**Officers in attendance:** President PDG Greg Pryor, Secretary PCC Evett Hartvig, Sergeant-at-Arms IPID Lee Vrieze and Immediate Past President PID Connie LeCleur-Meyer. Absent were Vice-President PDG Dave Lee and Treasurer PDG Tim McClain, who were excused.

The Meeting was called to order by President Greg Pryor at 2:15 pm.

The Pledge of Allegiance was led by PCC Evett Hartvig.

The prayer was delivered by IPID Lee Vrieze.

President Greg Pryor asked for a moment of silence in remembrance in honor of the Past District Governors who passed away this year: PDG David Kaiser, PDG Dick Schlieve, PDG James Wahl, PDG Jerry Sherwin, PDG Jerry Rabbach, PDG Chuck Auburt, PDG Dave Hempel and PDG Del Peterson.

The minutes of the May 18, 2024 were emailed out to everyone after the State Convention. **A motion was made by PDG Don Drew and seconded by PID Connie LeCleur-Meyer to approve the minutes as emailed. Motion carried.**

*Audit Report* – PCC Evett Hartvig reported a copy went to everyone August 15<sup>th</sup> and she received confirmation from the Exec Committee of its approval. **A motion was made by CC John Reil and seconded by PID Art Marson to approve the Audit Report. Motion carried.**

*Treasurer's Report* – Treasurer PDG Tim McClain had a family event and sends his regrets for not being here. He dropped off the current Treasurer's Report that shows a balance of \$9,363.37. There was one transaction since July 1 for \$23.00 for nameplates for the plaque in the State Office. **A motion was made by PID Wayne Heiman and seconded by PDG David Stedman to approve the Treasurer's Report. Motion carried.**

*Correspondence* – Secretary PCC Evett Hartvig reported no correspondence has been received.

### **Reports**

*International* – IPID Lee Vrieze stated our International Guest for the State Convention in May of 2025 will be PIP Brian Stevenson from Canada. The International Convention has been moved to Orlando, Florida from July 13-17,

2025. He stated that PDG's may need to help their District Governors for submitting nominations for Presidential Leadership and Presidential awards. Any help to identify people deserving recognition is greatly appreciated. All nominations need to be to IPID Lee by December 1, 2024.

He talked about LOTUS – Lions of the United States, which is being championed primarily by 2<sup>nd</sup> VP Mark Lyon, PIP Brian Sheehan and PID Gary Anderson from Michigan and is related to Mission 1.5. The goal is trying to rejuvenate the Lions of the US. There is one for Canada, as well. It's in formative stage right now and more to come. Goal to re-excite Lions service, as well as leadership and membership goals. There is apparel available through Bee Seen Promotions.

Discussion also took place about the possibility of Constitutional Area 1 Directors being reduced from 11 to 8 and there would be a resolution on the ballot in Orlando. If it passes, the CA1 Directors would be reduced from 5 to 4 in 2026, as well as the same happening in 2027.

That Ad Hoc Committee was renewed for another year and they will be working on possibly reducing number of Directors on the International Board, as well as reducing the number of Committees for the International Board.

*State of the State* – Council Chair John Reil reported that reports are showing that MD27 is losing a lot of members and we need to focus on why. Retention is also an issue. He stated that it would really help if each club would get two new members this year to help the situation.

There will be an Emerging Lions Leadership Institute in January at the Wisconsin Lions Camp, as well as a Lions Summit in February. More information will be coming out on both very soon.

PID Art Marson and his Committee reported to the Council this morning and they are doing a fantastic job on getting things in place for the Convention in May, 2025.

*WLF* – Report attached.

*Pride Endowment Fund* – Report attached. PID Wayne Heiman added that Pride has a Board Meeting coming up on October 16<sup>th</sup> where they will determine if they are able to present WLF with a second check for the year. He also stated that Ray Hempel Fellowship applications are available online.

*Wisconsin Lions Eye Bank* – Report attached.

*LCIF* – Report attached.

## **Unfinished Business**

President Greg Pryor read a letter he drafted that could be sent to the families of deceased Past District Governors. This was suggested by PDG Roger Weber who felt that we were not giving proper recognition to the families. It was agreed that this would start immediately.

President Greg Pryor said he failed to contact PDG David Brinkman at the beginning of the year to ask if he would continue on as chair of the Policy & By-laws Ad Hoc Committee. PDG David Brinkman agreed to stay on as the Chair. Other members include PDG's Roger Weber and Tom Wendt.

## **New Business**

*Continuation of District Training Incentive* – President Greg Pryor stated there is nothing in the constitution about donating to District Training Incentives so it needs to be voted on each year. He would like to see the organization continue giving \$100 to each District that has attendees at the trainings. **A motion was made by PDG Don Drew and seconded by PID Connie LeCleir-Meyer that each District get a \$100 stipend for the District for having any amount of attendees at a training. Motion carried.**

IPID Lee Vrieze asked if we had had a budget. President Greg Pryor said we do not, but it would make sense to have one.

## **Other**

PID Connie LeCleir-Meyer asked if PID Art Marson could give an update on the seminars for the State Convention so we could get prepared for our part as the Past District Governors Organization.

PID Art said they got organized early on in the year. If we don't get 500 people to attend, we are not going to make any money. PDG's should encourage attendance in their Districts. Seminars are not finalized yet but will get that figured out in the next couple of months so we can get the word out. Couple changes looking at are start golf at Noon on Thursday, fish boil after golf and move Council Meeting for later that evening. The Kentucky Derby is that weekend so after voting, they're having a Derby watch party and maybe people dress up for the derby. They may have a hat making event. The closing banquet on Saturday will start around 6:30 pm. Any suggestions are welcome, including seminar ideas. So far they are considering seminars on clubs incorporating, servant leadership training, and partnerships between clubs and business communities. Friday evening will also be the Kentucky Derby theme.

PID Connie LeCleir-Meyer suggested some kind of technology seminar, not necessarily AI, but maybe Lions Portal. Also, training of some kind more along the lines of Guiding Lions training to draw people to help with Mission 1.5.

Discussion continued on different ideas on how to draw more people to the State Convention.

President Greg Pryor stated that regarding the Treasurer's Report – At the end of the 2023-2024 year we had a balance of \$9,363.27 in our checking account, \$6,495 is protected funds, leaving approximately \$2,800 in available funds.

PID Connie LeCleir-Meyer read the guidelines regarding dues and the purpose of the PDGO from our Constitution.

Discussion ensued on what the PDG's could do within MD27 to help the growth of each District. Suggestions included a list of PDG's that could help with different issues around the State such as providing help with new member orientation, etc. PCC Tammy Rockenbach is willing to send out a survey to find out the skill sets of PDG's so a list can be made available.

PCC Evett Hartvig talked about getting PDG's together to tell the story of WLF, since WLF is the organization charged with administering the five statewide projects and the fact that our Constitution states, "The purpose of the PDGO is to promote Lionism through the Lions Clubs of Wisconsin. The PDGO shall work in cooperation with the State Council of Governors and the Boards of Directors of both the Wisconsin Lions Foundation and the Lions Eye Bank of Wisconsin."

### **Next Meeting**

The next meeting will be held on Saturday, January 11, 2025 at Hotel Marshfield.

**A motion was made by PID Art Marson and seconded by PDG Judy Hatz to adjourn at 3:15 p.m. Motion carried.**

Respectfully submitted,

## Wisconsin Lions Foundation Inc. (WLF) Report to the Council of Governors October 5, 2024

Our first WLF Board Meeting took place on August 17, 2024. Immediate Past International Director Lion Lee Vrieze inducted the new Directors and installed the 2024-2025 Executive Officers. We covered a lot of items, and all Directors are excited for a great year. As President, I am excited as well. It's been four years of anticipation. I am fortunate to have directors and our staff who work from their hearts because we all want to leave this place a little better than we found it!!

Hustle S'more and S'more Fun at Camp took place with 174 people for the morning's 15-mile Bike Race and 5K Run/Walk and 10K Run. Thirty-seven people stayed for the afternoon of fun and a good time was enjoyed by all. There were 43 local businesses that provided sponsorships for the event, as well.

I and Immediate Past President Brad took a dip in the Mud Pit at Camp. Thanks to our referee, Past President Larry Testa, who kept us in line. Thank You to all who donated. We raised just over \$6,700.

The HundredX Campaign is back! It started on September 16 and runs through October 15. What an easy way to provide funds for Camp by giving your opinions on brands of products you use every day. Last year this raised \$12,000 for Camp. Go to their website and get started now: <https://hundredx.com/deca> or text the word CAMP to 90412. Follow our progress on Facebook!

The 2024 Summer Camp hosted 924 campers. You can find the Who's Who List that shows all the Districts in the State and how many campers came from each of those Districts, along with a list of our seasonal staff on WLF's website under the "Our Impact" tab.

Visitor Days was well attended, as were the private and/or club tours we hosted this Summer/Fall. There were 546 people who visited the property: 414 people on 37 private tours and 132 on 11 Visitor Days events during Camp. The surveys were filled with overwhelmingly positive comments.

Deer Hide Collection begins September 14<sup>th</sup>, opening day for Archery Season. Please promote our 218 collection sites across the state. For an updated map and information on all the collection sites, visit the website: <https://wlf.info/deer-hide-collection/> Best of luck to all who hunt! Thank you for your support.

I look forward to visiting with those of you who have your District Conventions coming up in October and November. I will be bringing Deer Hide gloves to sell at each convention!

## LEBW Transporter Stats

- Through Sept. 1, LEBW Transporters have logged 503 transports by 78 clubs.

## Certified Transporter Training

- The Lions Eye Bank of Wisconsin had six online Certified Transporter Training sessions during the month of August. The average attendance for each online session was 75 transporters per session. As of Sept. 1, 2024, more than 500 LEBW Transporters are now certified throughout the state. There will be more online sessions in late September and mid-October, dates pending.

In addition to online training, several clubs and Transport Areas/Hubs have scheduled in-person certified transporter training sessions with LEBW Communications and Outreach Manager Adam Crowson through the months of September and October. Additionally, most of the District Convention Committees have also scheduled a transporter training session for the Friday afternoon of their district convention to help transporters get certified.

**Are we required to be certified to transport?** It is essential for compliance purposes that all transporters become Certified Lions Volunteer Transporters. You will receive a certificate upon completion of the workshop and be recognized for this achievement.

**New Volunteer Position: Transport Instructor/Regional Coordinator:** To fully support our new training program, LEBW is seeking 24 volunteers to serve in the prestigious role of transport instructors/regional coordinators. These very special volunteer positions will facilitate transporter training and the recertification training workshops in your region of Wisconsin and help communicate timely updates to dispatchers and transporters in your area.

As an instructor, you will work with Lion Adam Crowson, Communications and Outreach Manager to learn about the Lions Eye Bank of Wisconsin, its transporter program, and how to instruct and train
